Lesley's Mystery # 9

General Information

This mystery will be in an online classroom format. The cost to participate will be \$8.00 paid in advance. A payment button has been set up on the Mystery #9 page to facilitate that. I am planning to start the actual first set of instructions to be sent out in February and subsequent sets of instructions sent out on a weekly basis. Thereby those participating will have time to make this quilt in real time on line. Only those who have paid the \$8.00 enrollment fee will receive instructions via email. A folder will be set up on the yahoo group site to audition your fabric choices ahead of the start of the mystery. If there are any questions in the mean time don't hesitate to post them on the group site and I will answer them as promptly as possible. I will be spelling out the fabric requirements in the general directions here as well as a little bit about the quilt design. This quilt is a good size for a twin or full bed.

The quilt size is (82" x 82") and will showcase a shadow design. The fabric requirements are spelled out in a chart below. The directions will refer to cream for the background. The three bright colors will be gold, blue and red. The two mediums will be green and lavender. You are welcome to use whatever color fabrics you want as long as they are marbles or tone on tone. Since this is a shadow quilt, following that parameter is critical to the success of your quilt design. When selecting your fabrics for example the mediums whatever color, should be muted in intensity, something that has grayish tones in it so it appears less vibrant. For the background I strongly recommend a light color, or neutral cream. Stay away from the black backgrounds as it tends to flatten the appearance of the design. I will be including specific cutting directions with each set of instructions as we go so there is no up front cutting on this one. If you haven't already done so you will need a pay pal account in order to subscribe for this mystery. Hope you will join me in Feb. for this online class.

Regards,

Lesley
