

Webequilts
Lesley's Mystery # 5

General Information

This next mystery has been designed with the red white and blue in mind. I love the look of this quilt especially for the summer months. This quilt is a medium to small size approximately 53x70, perfect for the sofa or den or even the backyard hammock. Umm I'm envisioning an ice cold glass of lemonade right now! I will spell out all the information you will need in order to do this mystery in the following pages. Should you have any questions or need more clarification don't hesitate to ask on the yahoo group page.

This next paragraph will appear in all of my mystery's going forward. This is where I spell out what copyright means. The dictionary says "The exclusive statutory right of authors, composers, playwrights, artists, publishers, and distributors to publish and dispose of their works for a specified period of time. In the U.S. this period is 28 years with the privilege of one renewal." Basically what that means is you are free to use the information contained in these files for your own personal use only. No pages within these files may be copied, or distributed for any reason without my express written consent. Now for the fun stuff!

The quilt size is 53 x 70 and the fabric requirements are spelled out in a chart on the following page.

You will be using three different fabrics including your background fabric. I'm making this design in scrappy however it looks pretty good non scrappy. The colors we will be working with are red, white and navy blue; white being the background fabric. I will list the fabric requirements in yardage but if you are going scrappy just purchase the equivalent yardage in fabric quarters. If you are buying FQ's keep your colors in the same or close tone. Remember it's your quilt but follow my directions if you want the same results as the mystery quilt.

Yardage is based on 40" wide with 1/8 - 1/4 yard added for cutting errors or pre-wash shrinkage.

Background Yardage	4 3/4 yards or 17FQs + 1/2 yard for border
Red Yardage	1 1/2 yards
Blue Yardage	1 1/8 yards

No pages within these files may be copied, or distributed for any reason without my express written consent.
